Index to Public Utilities Reports

(This section of the magazine which is a preprint of the decisions, orders, and recommendations of courts and commissions, is too voluminous to be included in this index. These reports are published annually, in their entirety, in five bound volumes, together with the Annual Digest; copies may be obtained from the publishers, Public Utilities Reports, Inc., *Munsey Building, Washington, D. C., upon application.)*

Subject Index

ACCOUNTING,
Control improvement as presaging renaissance of regulation, 759.
Depreciation, 542.
Flood-control projects to control yardsticks, 675.
New accounting program, 665.

APPLIANCES,
Distribution among low income groups, 511.

BANKRUPTCY,
A world in debt, 571.

BIDDING,
Competitive, for utility securities, value of, 414, 476, 723.

BONDS,
See also Security Issues.
"Economic royalists" interested in government bonds, 403.
How 1936 bond issues have fared marketwise, 631.
Second-grade utility bonds, 307.
TVA and the bond market, 24.

BUREAUS,
Administrative problems of, 181.
Job for Hercules to unscramble Federal governmental duplication, 339.

CANADA,
Defense of Ontario hydro, 14.
Financial analysis of Canadian utility systems, 755.

CARRIERS,
Three years of attempted transportation coördination, 138.
Transit unification in New York, 222.

CARS,
One-man street car here to stay, 553.

CENTRAL HUDSON GAS & ELECTRIC CORPORATION,
Financial analysis, 562.

COMMISSIONERS,
Sunshine and shadows of utility commissioner's life, 615.

COMMISSIONS,
Accounting program, 665.
Collaboration between utilities and government agencies as to depreciation practices, 542.
Criticism of regulation in collision with recorded facts, 742.
Dossier of Federal commission membership, 764.
Federal *vs.* New York commission, 441.
Grievances against utility companies adjusted by, 595.
Model, an iridescent dream, 29.

COMMISSIONS—*continued.*
Procedural improvements in rate making, 797.
Reorganized Federal, effect on regulation, 693.

COMMONWEALTH & SOUTHERN,
Financial analysis, 690.

COMPLAINTS,
Grievances against utilities adjusted by commissions, 595.

CONGRESS,
Awaiting report on Tennessee Valley Authority, 751.
Objectives of new liberal-minded Congress, 83.

CONSOLIDATION,
